1 Introduction

OneRx is a forward-thinking organization committed to delivering excellence through innovation, integrity, and customer-centric solutions. Since its inception, the company has consistently grown by staying ahead of industry trends and embracing technological advancements. We maintain a strong focus on quality, reliability, and long-term value for our clients, partners, and stakeholders. Our mission is to create impactful solutions that drive progress and set new standards in our field.

Our success is powered by a skilled team and a leadership group with deep industry expertise and strategic vision. We foster a culture of collaboration, accountability, and continuous improvement at every level of the organization. With clear values and a purpose-driven approach, we are committed to achieving sustainable growth and building lasting partnerships. As we move forward, we aim to lead with innovation, adaptability, and a strong sense of responsibility toward all our stakeholders.

About Us

ONERX is a global Interior & Fit-Out company headquartered in Dubai, specializing in high-end turnkey solutions and luxury retail projects.

With expertise across corporate, retail, F&B, and hospitality sectors, we bring together creativity, precision, and functionality to deliver spaces that inspire. Backed by a skilled team of designers, project managers, and craftsmen, ONERX ensures seamless execution from concept to completion.

At ONERX, every project is driven by innovation, quality, and the vision to create spaces that truly make a difference.

We operate across multiple regions with branches in India, Vietnam, Korea, Turkey, Thailand, Slovakia, and the UAE (Headquarters, Dubai).

Design & Build

OneRx is your partner in taking projects from concept to completion. Our expert design and build services ensure that every aspect of a brand's vision is realized with precision and quality. From structural design to execution, we oversee the entire process to deliver a finished product that exceeds expectations.

Project management

At OneRx, our Project Management services ensure every stage of your project runs seamlessly—from planning to handover. With a focus on efficiency, transparency, and cost control, we coordinate all stakeholders, manage timelines, and mitigate risks to keep projects on track. Our dedicated approach guarantees smooth execution and a final outcome that reflects both your vision and our commitment to excellence.

OUR PROCESS

Our process is structured to ensure clarity, efficiency, and creative alignment at every stage

Consultation

Understand your space, needs, and vision

Concept Development

Mood boards, 3D renders, and layout proposals

Material & Budget Finalization

Practical choices that match your goals

Fit-out Execution

Skilled implementation, on-site supervision

Handover

Final quality checks and on-time delivery

PRODUCTION FACILITIES

Dubai (3,100sqm)

MACHINERIES

- Fork Lift
- Circular SAW 400-WS cutting machine with dust bag
- Computerized Numerical Control (CNC) Machine
- Needle Lock Stitch Machine
- Centauro Band Saw SP800 three phase 5.5kw
- Casati Single Knife Veneer cutting machine
- SCM Nova SI 400 with Tilting Blade Circular Saws
- CNC ROUTER MACHINE 5.5 KW S1000 MODEL
- LM-E150-SF LASER MACHINER WITH 1326 BED AND 150W
- SIGNAGE MOLD ASSET IN VIETNAM
- Panel Saw 7.5 HP 1 HP - 3 Phase model Table
- Superior Tig 322 AC/DC-HF/LIFT
- E-21 Controller and sharing blade
- Hydraulic Shering machine
- E-21 Controller with punch and die tooling set
- Hydaulic Press Brake
- Groove Cutter DP and installation
- Superior Tig 322 AC/DC-HF/LIFT 270amps,3ph Telwin
- Power roller and drilling and milling machine benc
- Roland LEF 2-300 Printer + VKIT
- Laser Machine - Printing
- REFRIGERATION AIR DRYER
- AUTOMATIC VACCUM MEMBRANE MACHINE
- FP202-FLAME POLISHER 1000W
- FP202-Flame Polisher 1000W
- 130W Laser Tube
- Metal band saw-Model BS-712N
- Polishing machine 3HP_Pedestial Polisher
- ITAL Hydraulic Hot press 3000 X 1300-2 Day 90 Tons
- Cutting Plotter Machine - Printing Room
- Groove Cutter DP and installation
- HR-125 hot wire bending machine with fix & protect
- Buffing Machine with wheel
- CMA1309-BA Laser Cut Machine 130 W
- HP Latex Printer - 570-64 N2G70A
- DND BENDING MACHINE 150
- LASER WELDING MACHINE 300W
- COLD LAMINATING MACHINE EXCELAM-160
- LD-5000S ATC CNC Router 4x8
- EZ CHANNEL BENDER-C TYPE MACHINE
- CANON-COLORADO 1650 PRINTER-MPI-34347
- Kuper FWS 920 veneer splicing machine
- 250 WATT TIG Welding machine - JASIC brand ASP
- Fiber laser cutting machine SN 70924 - 001
