

**INFINITY HOUSE LLC**  
**JOINERY SOLUTION**

## GET TO KNOW US

Infinity House LLC provides complete joinery services in Dubai.

We specialize in innovative and sophisticated design and provide joinery services to commercial residential, and retail facilities.

Our philosophy fosters an overall aesthetic in which architecture, furniture, art, and accessories all work together to create a visually elegant and comfortable living environment.

# WHY US?

We believe in quality rather than getting the work done quickly. We are very flexible with our clients also believe in carrying the same vision. We work as a team that makes us stand on the clients expectation.

We do not rely solely on the project manager to identify areas of risk; rather, every member of our team can and will identify risks at the most basic level.

## OUR MISSION

To build long-term relationships with our customers and clients while providing excellent customer service by executing projects using innovation and cutting-edge technology.

# AREAS OF FOCUS

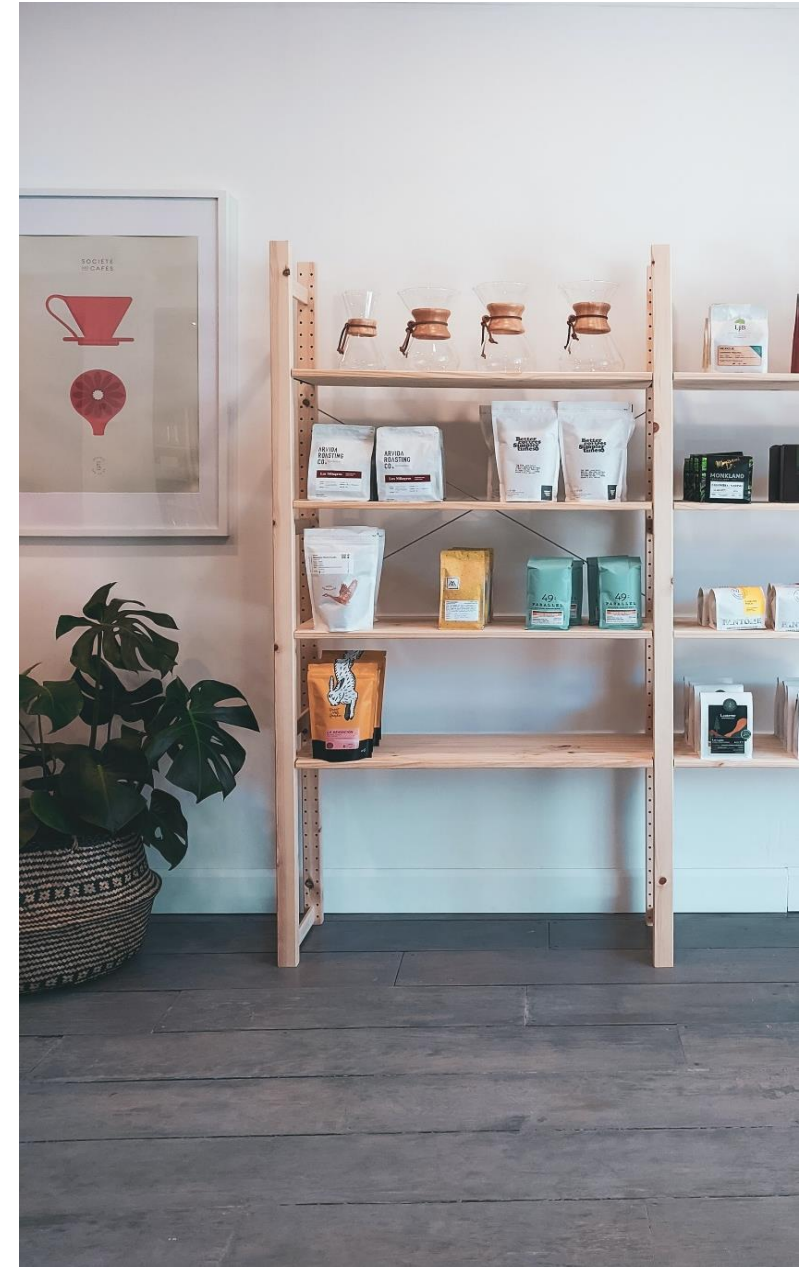

# Residential joinery

# Commercial joinery

# Retail joinery

# OUR SERVICES

## BUILD

Over the years, Infinity House has gained considerable and challenging production and fabrication experience. We strive to use the most efficient and technologically advanced production and fabrication procedures possible.

The materials used in the design are one-of-a-kind, high-quality, and affordable. Assuring that the design and construction of the end product are in sync and that the client's expectations are met.

# JOINERY FACILITIES

Bespoke joinery services whether its your kitchen, living area or any commercial place we cover it all.

From cabinets, doors to counters, wooden ceiling and complete exterior joinery work etc., everything can be overseen by our experienced and skilled staff.
