GARDENING

- ✘ *UAE is a place where you can come across the picturesque gardening areas just about everywhere on the streets which adds to the beauty of city's landscape as a whole. Gardening requires immense planning, thought process and of course the essential much needed materials and resources. Our experienced and professional team of experts works on creating the best designs for gardens by drawing the complete landscaping plans before they approve and implement. We make sure we professionally executed some of the best and the highest quality of standards in our work to keep the flow of maintenance and designing aspects of Gardening. Gardening requires a combination and a terrific blend of good architectural design and adequate resources.*

GARDENING DESIGNING

- ✦ *M/s Mirage Al Namaa Technical and landscaping has been offering the services of Garden Designing for its esteemed clients with professional architects and designers who work in collaboration render the best services of Garden Designing. Our team of experts offers their professional expertise to their clients based on what clients wants and how they want to have their Design be for their Gardens. Sometimes it's very important to think out of the box to have those great ideas of beautifying your houses, lawns, outdoor kitchens, offices and open playing areas with perfectly designed gardens. Designing a Garden requires thorough dedication and someone who are aesthetically driven by the love for nature and greenery.*

OUR COMPANY SWIMMING POOL & LANDSCAPE INSTALLATION

Landscape Installation is the most important part in the process of Landscaping. We have a professional way of setting up Landscaping Installation services with the use of highly developed technology and equipment to ensure high quality landscape installation. As once the landscape installation is done there will be a review for client satisfaction. Landscaping Installation requires the assistance of professional project management and its team of experts. We ensure all the standards are maintained and if there is any changes and iteration that needed to be made during the time of the project. We make sure that the progress of the Landscaping Installation project will not get affected by any other stoppages or issues and the project gets completed smoothly.

SWIMMING POOL AND LANDSCAPE MAINTENANCE

Landscape maintenance is nothing but maintaining the area or the geographical territory of the landscape. Landscape maintenance is basically the art of making the whole area of land clean and healthy for the environment and natural atmosphere. The whole concept behind the Landscape Maintenance is to make the ambience looks more attractive, clean and healthy with a Go Green concept as well to reduce the factor of ever increasing pollution.

To provide the utmost professional service of “Landscape Maintenance” a company should have the expertise of the manpower and resources to meet the changing needs of our clients. Landscape Maintenance has enables us to redefine the best quality and efficiency of the services that we as Landscaping Companies in UAE provide to our clients

OUR COMPANY DESIGNS PERGOLAS & GAZEBOS

- ✦ We at M/s Mirage Al Namaa Technical ourselves for the premium Swimming Pool and Landscaping services that brings beauty and joy to the lives of people in UAE. Just because we live in a desert doesn't mean it has to feel like one. We design and build some of the finest Pergola and Gazebo you can think of for your backyard landscape design. A pergola is an arched structure giving shade to a passageway, walkway or sitting area. Usually covered with wood vines, a pergola is a scenic addition to your landscape architecture

OUR COMPANY SOFT SCAPING

M/s Mirage Al Namaa Technical and Landscaping our professional landscape designers have avid knowledge of various types of plants and shrubs, some add to the look and feel of the landscape design while some add to the functionality of the entire landscape layout. Our trained technicians carry out the work in a organized way under the leadership and constant supervision of our talented professional landscape architect

OUR COMPANY HARD SCAPING

Hard scape landscaping installations you can't wait to put to use, the backyard is a domain of your own. Understanding the significance of your outdoors, we, at M/s Mirage Landscaping, create spaces that accentuate your lifestyles. Being one of the top landscaping companies in UAE, we have nearly a decade of reputation of providing proficient landscaping services. Working closely with you, each addition is carefully thought of, intricately designed, and unique to your landscape design. The Hard scape process creates durable structures that require minimal garden maintenance

OUR COMPANY WATER FEATURE

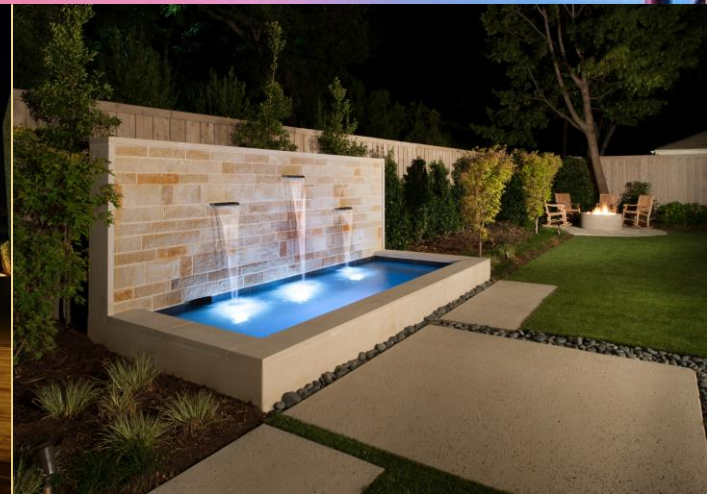

Observe the fish as they swim around the pond and discover serenity like never before. Usually associated with soulfulness and spirituality, water can lend your backyard the much-needed air of peacefulness. However, while the right water features can do wonders for your backyard, the wrong choice can make the layout appear chaotic.

We are Specialized in Swimming Pool and Water feature , we help you pick out the perfect swimming pool & water features to compliment your landscape design. So whether you have a forest themed outdoors, or a geometric design for a contemporary look, we have the perfect choices for you.

OUR COMPANY GARDEN LIGHTING

- × Garden lighting is one of the premium landscaping services we provide at M/s **Mirage Al Namaa Swimming Pool** and landscaping. So, You've spent plenty of time and energy into perfecting your outdoors. Picking out the ideal gazebo to complement the landscape design or dedicating hours to deciding the perfect placement of shrubs is one aspect. With all the effort you've put in, the outdoors deserves to look just as fabulous, even after sunset. That's where garden lighting comes in.
- × A stunning landscape can be transformed into the most surreal nightscape. The perfect garden landscaping lighting highlights, accentuates, and illuminates the spaces without seeking attention. It puts a spotlight on your favorite features,

OUR COMPANY IRRIGATION SYSTEM

- ✘ Create an idyll out of the outdoors with little trouble. **M/s Mirage Al Namaa Technical** provides advanced landscape design and landscaping solutions that have your landscaping needs covered. With us, it doesn't matter if you don't have a green thumb. Our modern irrigation systems are perfectly suited for different kinds of gardens.
- ✘ We thrive at the latest technologies that we incorporate in our landscaping services, this includes state of art irrigation and sprinkler systems. With our reputation to be one of the leading landscaping companies in Dubai, UAE we use the best quality material and technologies for providing luxury landscaping services to our esteemed clientele
